ABSTRACT SUBMISSION DEADLINE EXTENDED TO MONDAY 31ST MAY 2021! ESGE 30th Annual Congress, Rome Italy, 3-5 Oct 2021

We have **extended** the **abstract submission deadline** to **31st May 2021** to give you the chance to present your clinical and scientific work for the **ESGE 30th Annual Congress** (onsite in Rome, Italy + virtually transmitted) on 3rd – 5th October 2021.

Onsite + Virtual Presentations

Due to the ongoing **COVID-19 pandemic**, we are designing the Congress with the aim to reach all participants, by hosting a hybrid event (onsite and virtual) over three days; Sunday 3rd to Tuesday 5th October 2021. If your **abstract** is selected for inclusion in the programme **as oral presentation**, you will be required to provide a **pre-recorded presentation for inclusion in the virtual part of hybrid congress** this year.

If the COVID-19 situation improves to allow onsite presentation, the **Best Selected Oral** and **Best Selected Video** presenters will be invited to present onsite. All posters, videos and free communications will be presented virtually on the congress platform.

The registration deadline to Congress for abstract submitters is 30th June 2021.

More information can be found on our congress website: www.esgecongress.eu

If you have questions please contact: abstractservices@esge.org

Looking forward to receiving your abstracts!
